

BEDRIJFSOPLEIDINGEN

Working safely with a transshipment – and bunker crane

It is important that drivers of a transshipment – and bunker crane are able to meet the high requirements in order to work safely and responsibly. Therefore it is important that drivers are working according to the working conditions act. Furthermore, all drivers must have a safety pass.

In this course the participants will experience and learn how to work safely with a lifting installation and how to fix loads.
